

Following the success of its 1st edition in 2018, *independent little lies-ill* will present its second festival *queer little lies* on November 12–14th at the Escher Theater.

Performances, movies, round-tables, workshops, a masterclass: on three days, artists from Luxembourg and abroad (a.o. Valerie Reding with her new performance *m.a.d.*) will queer~ your understandings of bodies, sexuality and desire.

Be ready to challenge the norms!

A production by *independent little lies-ill*, in coproduction with Escher Theater. In collaboration with Centre LGBTQ+ CIGALE and Escher Bibliothéik. With the support of Ministère de la Culture and Ville d'Esch-sur-Alzette.
